Evaluation

In order to enhance the usefulness of the Trends and Highlights Course to you and future participants, a continuing process of evaluation is necessary. We ask your cooperation in assisting us in keeping the course responsive to the needs of the participants.

COURSE OBJECTIVE

The objective of the course is to update Deputy Director for Administration careerists' knowledge and understanding of current activities, problems and trends in the Directorate and its various offices.

- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. What was the most useful segment of the program to you in your present assignment? The least useful? Please describe how you see the program benefiting you.

1. The most useful segment for me was the "Overview" by Mr. Blake plus MBO presentation.

2. The least useful was the "welcome to [redacted]" only because I lived and worked here for many years.

3. I think the program most worthwhile as it not only updates your knowledge of the trends & highlights of the DPA but helps you get to know the people who make it work -

(See Reverse Side)

- C. Did you feel the session on the Administration Directorate/  
Management & Advisory Group (AD/MAG) was beneficial? Why?

*I felt this segment very beneficial especially for the people who had a grip as it gave them a chance to get it directly across as they saw it without too many buffers -*

- D. Other Comments:
